Congratulations – you have earned your *Graduate Futures Skills Award* digital badge.

Badges demonstrate evidence of participating in professional development and a commitment to studies.

There's one more step before your badge will be issued. You will need to access the 'Confirm completion' question and answer 'yes', and then submit your answer. Your participation in the course will then be confirmed and you should receive your badge within 48 hours. You will receive an email to notify you that your badge has been issued and you will be able to view and manage it in [My OpenLearn](#).

Your badge will be downloadable from your My OpenLearn Profile. It can be shared on social media and displayed within eportfolio platforms (e.g. LinkedIn).
