What makes you say that? I've been following him He's been to her house night after night It was him and Phyllis all along. Maybe he was just going...

162

...with me as a blind And then the night of the murder... You promised me you weren't going to talk like this anymore He was supposed to pick me up after a lecture at UCLA, but he never showed up He said he was sick

169

..sick! [sobs] Couldn't show up, 'cause a train was leaving with my father on

176

Maybe I'm just crazy It's all in my mind

179

Sure, it's all in your mind I only wish it were, Walter.
