

Unit 4 – Card 1

Unit 4 – Card 1

Develop collaborative and dialogue-based approaches by using partnerships with long-term commitments and shared responsibilities, risks and benefits. Partnerships help learners find resolutions to complex wicked problems like living more sustainably.

Unit 4 – Card 2

Unit 4 – Card 2

Critical dialogue and brave spaces in partnerships engender solidarity and learning, and help learners frame the action needed for more sustainable living.

Unit 4 – Card 3

Unit 4 – Card 3

Partnership learning and 'heart, head and hands' capacities enable learners to develop the awareness, ideas of equity and practical skills needed for more sustainable relationships and living.
