

# Making Teacher Education relevant for 21<sup>st</sup> Century Africa

## Personal action plan for ICT

Name:

Date:

What ICT do you have access to?

### Using ICT in my teaching

Record some of the ways in which you could use ICT in your teaching

### Using ICT in my professional role

Record some of the ways in which you could use ICT in your professional role. Think about the forms of social media available and the different software packages you have access to.

### My personal priorities for development

Record three skills that you identify as your development priorities
