

What I would look for in a job

## Part A. What I would look for in a job

Thinking about what you would look for in a job, use a scale of 1-4 to score each of the following statements (4 = Very important, 3 = Important, 2 = Less important, 1 = Not important at all). Write your score in the space provided.

	Score
Having control over my work and making decisions on my own	
Having various tasks to do during the day	
Working with a lot of different people	
Working in different places	
Learning new things	
Having good relationships with others	
Having a job which reflects my beliefs	
Having a job where I use my talents and develop my skills	
Working in an organisation that does something important in the world	
Having lots of excitement at work	
Having a job where I lead other people	
Having a job where I have responsibility for money, buildings or equipment	
Making beautiful things at work	
Having a job where I can be promoted regularly	
Having a job where I help or care for others	
Working in comfortable surroundings	
Having a job where I can be original and develop new ideas	
Having a job where I am physically active and always moving	

**Part B: Answer the following questions to help you to think a little bit more about your ratings**

1. Do any of the things you like about work clash with each other? If so, how?
  
  
  
  
  
  
  
  
  
  
2. Do your ratings suggest anything about the kind of work that might suit you best?
  
  
  
  
  
  
  
  
  
  
3. Do your ratings suggest anything about the kind of work that might not suit you?
  
  
  
  
  
  
  
  
  
  
4. Do your answers suggest different careers from the ones you were thinking about before you started this course?
