

Questions to help you reflect on your teaching

1. Did the learners meet the learning outcomes for the lesson? How do I know?
2. Which activities worked well in my lesson? Why?
3. Which activities did not work as well as I planned? Why? What can I do to improve this next time?
4. Did I have all the materials I needed? What else would have been useful?
5. Which learners worked/participated well in the lesson? Why?
6. Which learners found the activities difficult? What can I do to help them?
7. What do I need to remember next time I am planning a similar lesson?
