Facilitator : Claudia Nuzzo (Open University)

Location: North Rupununi (Guyana)

Date: January - February 2012

fishing equipment

line fishing

fishing with bow and arrow

fishing with seine net

Can't see anything
under water today!

A good catch for
two hours of work!

cleaning the fish

“Cassareep” is an essential ingredient in our cooking

stewed and roasted fish

enjoy with cassava farine or bread

extra fish for family

Back stage
