Code of Conduct	Met (or) Partially met (or) Unmet	Areas of improvement
Does your organisation have in place a Code of Conduct for staff and volunteers that sets out clear expectations of behaviours for inside and outside the workplace?		
Does this policy or Code of Conduct state what will happen in the event of non-compliance or breach of these standards of behaviour?		
Does the Code of Conduct prioritise the wellbeing and care of all people including beneficiaries?		
Does your organisation provide training on the Code of Conduct for all staff and volunteers as part of their induction?		
Does the Code of Conduct also bind downstream partners and affiliates if they do not have the same standards in their organisations?
