

5.10 Ranking activity

Task:

For this activity there is a list of eight statements.

Put the eight statements into the order in which the series of events should happen (chronological order).

Start with the first event at number 1 and end with the last event at number 8.

Ensure that learning from the case is incorporated back into the organisation.

If an investigation takes place, receive a report with the findings.

The safeguarding concern is reported to the Safeguarding Officer/Focal Point.

If an investigation takes place, consider suspending the Subject of Concern and/or the programme, if necessary.

Gather more information, if necessary.

Convene a Safeguarding committee.

If the concern is serious and is a breach of the Code of Conduct, start an internal investigation.

Undertake disciplinary action, if appropriate, in line with organisational HR processes.
