

Our Story - Guide

- Step 1** Open the app and choose “create, edit, change”
- Step 2** Choose the picture in the top left corner.
- Step 3** You can now:
- Add a picture by clicking the camera in the top right corner and choose a picture of your library
 - Add a text by clicking the field at the bottom
 - Add a tone by clicking the microphone and recording it
 - o Delete the tone by clicking the dustbin
 - o Play the tone by clicking the round arrow
 - As soon as you are done, click the door to leave editing of the picture
- Step 4** Drag the picture into the storyboard at the bottom.
- Step 5** Choose the next picture from the top.
- Step 6** Repeat steps 3 to 5, until your storyboard is ready.
- Step 7** Click “S” on the right side of the page.
- Step 8** Name your Storyboard and click the check mark to save it.
- Step 9** To have a look at your Storyboard go back to the first page and choose “use”.
- Step 10** Click the Storyboard at the bottom and choose the play symbol in the top right corner.
To open another storyboard, click “R” in the middle of the page in the area “use”.
