## WHY NOURISH THE CHILDREN

---

We do not just feed children we nourish them with the nutrients they need to survive.

With Nourish the Children your donation will be used to:

- provide children in need with a nutritious VitaMeal developed by our scientists
- give these meals out to malnourished children in need all over the world
- by providing education and disease prevention programs
- make a difference with more than 120,000 children being nourished every day

## VITAMEAL

---

VitaMeal is a highly nutritious meal that is expertly designed to address the needs of malnourished children

VitaMeal's wholesome food ingredients provide the right amount of calories, proteins, fats and carbohydrates that undernourished children need to grow and develop to their fullest potential.
