

Dear Hanan,

Hello, my name is Phoebe, and I am 16 years old. I'm from Banff, Scotland. I am so sorry to hear that you are going through this, it must be hard to deal with!

Your birthday sounded magical, and your dinner sounded tasty! I am also interested in Korean culture and language! Korean -->

안녕하세요, 하난! 잘 지내시길 바랍니다!

(Hello Hanan! I hope this finds you well!)

It's lovely that you had a day of peace, and hopefully there are more to come. What hobbies do you get up to now? or before the war? I like reading, listening to music, and I play the snare drum in a Pipe band. What is your favourite colour? I like green and red!

Are you interested in other languages/ cultures? I like learning about loads of different languages and cultures!

I am sending over peace, love and safety for you and your family!

안녕하세요, 피비

(Kind regards Phoebe)
